TO: All Parents/Guardians of Track and Field Athletes

FROM: Peggy Crotty- Track Coordinator

SUBJECT: Parent's Meeting/Sports Forms

Welcome to our fourth track and field season at St. Greg's!. I am very excited to get the ball rolling this year. The coaches are looking forward to working with your children and watching their track and field skills develop over the season. I ask for your patience while we get the program off the ground, as I'm sure there will be a learning curve for the students and coaches.

Our goal is to provide a safe, fun and competitive environment that will allow your children to develop their athletic abilities and to grow as individuals. We ask for your support and continued assistance in reaching this goal throughout the season.

Attached are several forms for you and your child to review and sign. Return them with the sports participation fee **by February 22nd**. Please make checks payable to *St. Gregory's School*. The sports participation fee for this year is as follows:

- 1 Child \$35
- 2 Children \$30 per child
- 3 Children \$25 per child

Please be aware that if all the forms and the fees are not received, your child will not be able to participate. If you have not already turned in your sports physical, you should turn it in with the track forms or by March 9th.

I want to thank you in advance for your assistance and cooperation over the coming season. Please call me at 203-775-2280 or email me at [peggy@crotty.tv](mailto:peggy@crotty.tv) with any questions or concerns.

**ACADEMIC AND CONDUCT REQUIREMENTS FOR ATHLETIC  
PARTICIPATION**

The goal of the athletic program at St. Gregory's is to have the student succeed in both academics and athletics. To ensure this goal, the Principal will evaluate all team participants' grades and conduct when the third Report Card and fourth Progress Report comes out. Academic and conduct requirements are as follows:

1. A verbal warning will be given at the fourth Progress Report time if the student has any grade below a "C" or an Unsatisfactory Conduct grade. The student must then work to either improve their behavior and/or bring grade(s) up to a "C" or above before the Report Card time.
2. At the third Report Card, any student with a grade below a "C" will not be able to participate with the track team for a minimum of 2 weeks. During that period, the student must receive extra help from the teacher(s) on a regular basis. At the end of the 2-week period, the Principal and teacher(s) will review the student's grades. If the grade(s) has not improved, the student can either be removed from the team or granted more time to improve his/her grade(s). This is done at the discretion of the Principal and teacher.
3. At the third Report Card, any student with a grade of a "3" in Conduct in any subject will not be able to participate with the team for a minimum of 2 weeks. During that period, the student's behavior will be reviewed on a regular basis. At the end of the 2-week period, the Principal and teacher(s) will review the student's behavior. If the conduct grade(s) has not improved, the student can either be removed from the team or granted more time to improve his/her behavior. This is done at the discretion of the Principal and teacher.
4. Any student with a grade of "F" will be automatically withdrawn from the team for the remainder of the season.
5. A participant may be also removed from the team if his/her behavior while in practices or during a meet is continually disruptive or disrespectful to other teammates, coaches, adults, and/or opposing teams. The coach can request this action. The Principal and coach will decide disciplinary action.
6. The decision of the Principal will be final in all cases.
