**THE GREAT SCHOOL**

Lifelong Learning. Rooted in Faith

June 22, 2023

Dear Incoming Middle School Parents and Guardians,

In order to enhance learning in the classroom, our middle school students use Chromebooks. For the upcoming school year, each child needs to obtain a Chromebook which they will use throughout middle school. The minimum required Chromebook specs are 4GB of memory and 32GB of storage. Any Chromebook meeting these requirements will be sufficient for our needs. PLEASE NOTE, in order to maintain continuity among students, we do not permit other types of devices, such as tablets, PC's, or Apple computers. Some of the programs accessed during class are simply not compatible with these types of devices.

Students should add their school accounts to their Chromebooks, as teachers will be sending email communications. If you have any questions, please contact Mrs. Freitas directly. She may be reached at [sgstech@sgtgs.org](mailto:sgstech@sgtgs.org).

Sincerely,

Principal Curra
